## **BOOKING TERMS & CONDITIONS**

1. All training programmes are conducted in English in UK real-time via the Zoom Platform.
2. There is an expectation that you will use your camera and audio for the duration of the training. Please ensure that you can participate from a confidential setting (which is essential to coaching and/or therapy). If you are unable to ensure a confidential setting in which no other people can view or hear any part of the workshop for its duration, please apply at a time you are able to do so, as you may be asked to leave the training.
3. Our training programmes can be fast paced and immersive. You may find the Zoom platform more tiring than traditional learning within a room. If this applies to you, we suggest this course may not be suitable for you at the present time.
4. A zoom link and training programme information will be issued to you approximately 2-3 weeks prior to the training date – provided payment has been received. Don't forget to check your spam folder. It is your responsibility to ensure you have received the 'Joining Information' email.
5. The printed workbook is posted to the address listed above approx 2-3 weeks prior to the training date – provided payment has been received. Your contact details will be provided to our postal delivery partner to enable this service. Late bookings/payment can result in the workbook not arriving in time, therefore we suggest booking a minimum of 2 weeks prior to the training (subject to availability). Electronic copies of the workbook are unavailable.
6. Overseas learners may experience a delay in the package arriving. There may also be customs charges in your country, payable by you. These are out of our control and we are unable to reimburse. Further information on deliveries to the EU can be found [HERE](#)
7. If payment is not made by the invoice payment due date and we have made every effort to contact you via email/text/phone we reserve the right to cancel your place. Places are not confirmed until payment is received.
8. Due to the nature of the workshops, delegates must attend over 90% of any individual training programme to satisfy attendance requirements if certification is required. A CPD Certificate is issued to all attendees. A full IAFPD Certificate of Achievement will only be awarded to learners who have paid the full certificate fee and satisfactorily completed the training programme requirements including the Post Programme Review (PPR).
9. The Institute of Leadership (IoL) is a professional body that accredits a number of our coaching development programmes. Attendance of these programmes provide eligibility to Associate or Full Membership of the IoL upon payment of a further fee.
10. EU based applicants: Due to recent changes in EU VAT regulations, we can only accept applications with a valid VAT number under the Reverse Charge VAT rules.
